## About Us

20Cube Logistics Pte Ltd

About Us

08-Dec-16

## **Integrate every part of the supply chain**

From order to delivery we would give our customers the visibility they need to real-time data, supply chain transparency, and the ability to control cost in ways they've never been able to before.

## **Digitalisation of supply chain processes**

We have digitalised the supply chain processes that enable our customers to enhance their business performance. It provide our clients with deeper insights and matched it with access to the expertise.

## **Transforming the way our customers do business**

Through inventive solutions, workflow tools and consultant expertise that reduces the visible and invisible costs in the supply chain, adapts to changing needs, and speeds up delivery.

## **Drive innovation forward**

We transform lives of our clients and the performance of the category we operate in. We work with our customers to understand the evolving needs to their business.
